ABOUT US

Malaysia Business Group (MBG) is a conglomerate of export-oriented food and beverage (F&B) manufacturers in Malaysia.

We are driven by a group of business professionals who share the same vision to position Malaysian food and beverage manufacturers as the most preferred and globally competitive trading partners to the rest of the world.

MBG serves as a platform to facilitate and develop business relationships and friendships between Malaysian F&B manufacturers and companies. Members will be able to engage in B2B networking and develop relationships with various business chambers and trade expo organisers. Together, we have fostered synergistic collaborations and partnerships with international and local exhibition organizers, business chambers and more.

MBG also assists Malaysian-based businesses in establishing a strong foothold overseas by opening export pathways for Malaysian F&B products. Through **MBG**, members will be able to add value to their business and unleash their business growth potential.

Besides that, our digital platform is a one-stop source for Malaysian-based products, accessible from all around the world. Members will be able to showcase their products digitally on our website to attract buyers and future business partners.

MBG's active approach has always been in a few key areas of focus, such as exhibitions (physically and virtually), cost saving measures through group collaboration, market understanding and expansion, and corporate social responsibility (CSR).

Today, **MBG** has firmly rooted itself as an effective and engaging platform that drives exposure and growth for Malaysian-based food and beverage businesses across the globe.

By partnering with **MBG**, you and your company will have access to a wide network of leads which in turn will help in your business expansion to the rest of the world.

Together, We Are Stronger.
